

Camp Wojtyla **Packing List**

Please bring old but durable clothes. You will not need to bring dressy clothes. Please bring durable footwear that fits well and is broken in--if you are buying new boots wear them a few hours a day for the weeks leading up to camp --- this helps prevent blisters and turned ankles. DO NOT bring:

(Campers will not be permitted to have these items on their person)

- Cell phones. There is no reception, so they won't work here anyway...
- iPod, MP3 players, Boom Box, or similar devices. It's time to listen to God. If you want to sing, we can sing together.
- DVD players, Laptop etc. The idea is to withdraw from the noise of the world and our daily life. The mountains and nature are an excellent setting to be in contact with ourselves and our Creator. You will see that is possible to survive and have a great experience also.
- Food (unless noted with special dietary needs). Since we are sleeping outside in Teepee's we do not want to attract any of God's creatures with our human food!
- Drugs, alcohol, tobacco – of any variety!
